Jeffrey,

I have located what looks like to be a pretty good looking used LULL in Pennsylvania its a 2004 with only 1900 hours and tires that are 90% so they are fairly new.

The bottom line price \$37,500 and sending to Tropical will estimate at \$3,000. This is better than most of the machine that we have seen on line in Florida.

I need to get an independent inspection done which will cost \$155

May I go ahead and get that inspection done?

Thank you
