Boris:

Hope you had a nice 4th of July and you could take a short break.

Thanks for your email on Friday. I did not hear back from Jeffrey yet but was waiting today to write you because on the 4th of July week-end nothing can be done anyway.

Perhaps if you talk to him you could check in with him to 1) understand what I should do as next steps and 2) suggest that this may be the time to push re the Center for Buss and Govt.

In terms of schedule, let me remind you that I will be in NY from Sat July 9 to Th July 21.

On Tue 7/12 David Gergen should be speaking to a group of YGL (and I will be there) at the WEF offices in NY. However, not sure that is the ideal place to talk. I could meet him at any other time while he is in NY those days or I am also happy to go to Boston one day of the following week (18, 19 or 20 or even Fr 15) and ideally see him and LS in Cambridge. I am obviously keeping my schedule as open as I can so that I can be very flexible.

Thank you so much Boris and hope to be able to see you while in NY,  
Marco
