Jeffrey,

J'espere que tout va bien a Paris.

Boris wrote me this a.m. to ask what was happening with you-NYAS. As I told him, I owe you a conversation re the Executive Committee reaction (they met on Tuesday) to your generous offer and you owe me news from the Templeton Foundation.

I would be happy to call you over the weekend or during next week if you like.

Best, Ellis

PS, I think I knew that you were close to Richard A. He likes Joanna a lot as you may know. You may not know that we spent our highschool years 2 blocks from each other during the day and must have seen each other in the common park and in the evenings, I roamed and he worked on McDougal St.
