Enclosed is a Spec sheet on my Hawker. The price is \$950,000. I've personally flown and maintained this plane for the last 5 or 6 years. It is and has been an excellent plane. If you don't want to purchase the plane, I am working on selling 1/4 interests. Please let me have your thoughts and we can then discuss this matter in more detail. I hope all is well with you and that you had no problems on your California trip.
