You picked one fabric from Nobilis which unfortunately turned out to be discontinued when I went to order it. I always look for fabric for it when I go to D&D building to source LSJ things, but I focus more on LSJ things as you told me this is your priority. I thought since we found the 3 table cloths Pinto had made for the table we had some good backups until we found another fabric option, but perhaps you don't like any of the Pinto ones?
I was planning on going to the design building in Ft.Lauderdale tomorrow to see if I can find some more samples.
