Jeffrey,
You have been approved to ride on the GIV Sunday to Switzerland, the aircraft is busy according to the UAE brokers until Sunday, Don is not sure if there is a cost involved, my guess is free, since the aircraft will be dead head there. There are a lot of people in charge and appears this aircraft has a USA partner owner and a UAE owner, no one is capable of making a decision promptly.

Pls advise if you will wait or pass on this offer to fly Sunday? I can't get a firm answer why you can't go early, they only say the plane is busy.

Thx

Larry
