im sorry, that yo don't feel well.. I want photos so i can help. I don't want you to wait to long, if something needs to be fixed. If it is not healing properly you need to deal with it asap.. or it will heal and then you will have to start all over again

Taking time to recover from surgery..still have pain in the right breast..

For now i don't want to take photos of my breast. Afraid to see it..
