See below. Lots of lip.

Are you in town? Friday night is her farewell dinner before she departs for British Columbia. Taking her and Eva out. JB

> Re: Jeffrey and dollars, let me do some research into Princeton/overhead/etc. I suspect they will want at least 10%, which means 150k (or less) for two years (remember, I don't drink or eat meat). I will draw up some numbers, a proposal, etc. if it seems possible. Also, we should see if I landed a Newton Fellowship (UK), which I will know by October. Why take Jeffrey's money when I can take Andrew's?
