Jeffrey,

I have Morrison staying with the Boeing in Georgia, finalizing completion of maintenance, should be completed late this week, or early next week.

My plan is to bring B727 to palm Bch, and Don would like to schedule a professional photographer to take shots of the interior and exterior for his advertisements,.

I asked Don to fwd us his contract and completely give Don the exclusive on the Boeing after photo session, and hit the market hard with new photos of the Boeing, with a re-release for Sale, advertising our FAR125 completed FAA approved certificate.

is this a good plan?

thanks,  
Larry
