Subject: STT heli Necker

Necker Island just called Nicolas, one of the "crew" broke their collar bone and needs transport to Tortola hospital asap,. from what I was told,. they even requested a night flight to return the person back to island after visit, so, not quit sure if this is life or death situation,.
pls advise if you want nicolas to use the 407,. "NICOLAS SAID HE'D CHARGE NECAR ISLAND DIRECTLY FOR HIS TIME) interesting ?
thx
