Laura from Sacco carpet called me. She was out sick last week and apologizes for the delay in getting back to us.
She said the 3 guest room rugs and your master bathroom rug are in New York ready to be shipped to Tropical. They have received your master bedroom rug today in NY. After they inspect this rug, they will ship all 5 rugs together to Tropical Shipping in Florida. She said these should ship out by Monday of next week and arrive at Tropical the end of next week. She said it's not possible right now to give us an exact arrival date at Tropical Shipping, but will let us know as soon as they are on their way.
