Sorry for delay.
Doing this show has eaten up all my time.
I'm off for the next 2 days.
They did my depo on a Sunday two weeks ago, what a waste of time, and a pain in the butt.
I'm coming to Ft. L the 20th, meeting with mediator 21, then another depo on 22.
Total waste of time and money.
Berger Singeman firm is such a sad situation.. They are wasting all the money of the creditors and victims. And the system us allowed to operate this way.

I can tell you now that there is nothing I have access to of [REDACTED]
And [REDACTED] barely used Otask in the first place (he knew it tracked everything)
If I were to assume, [REDACTED] would not have stored anything back then in Qtask because it was something new to them back then.
