No upside or money in selling tack..that is a waste of time  
Re diablo and Max - you might consider turning them out together and not having them ridden - they require minimal looking after or have them put down..

Good Morning [REDACTED]

Wendy mentioned that you had requested photos of the animals that Zorro was removing from the Ranch, so you could forward to GM, pretty much word of mouth has got out and it looks like we can sell or give everything away locally. [REDACTED] is placing an ad in the paper for the horses, noting it will be difficult to sell [REDACTED] or [REDACTED] but she will give it a go.

I will review all the tack etc when I am on site next week noting we have 2 brand new English saddles and a number of other items that I believe we would be better to sell, but I would like to get it all together first and forward to JE to get his thoughts.

Warmest regards  
[REDACTED]
