Good news is that nobody takes [REDACTED] seriously. I would certainly suggest not cooperating with him in any way. Worst that will happen is that he rehashes old stuff--exactly why we have to start building a counter narrative. Then, even if only begrudgingly, any story would have to include what you are doing now. Let me think about [REDACTED] she seems to have it in for you and there are lots of way to neutralize her. I'm leaving for London on Friday night. Can you talk tomorrow?
