...good morning my Dear Jeffrey,

and yes, yesterday i was surrounded by people who had strange and stupid conversations...

what was good yesterday about dinner that i saw the car about which i am dreaming about, its on sale (the girl wants to have higher class). i will earn a little bit more and will take for me and [REDACTED] but i want already to do a test drive , today at 15h i will have test drive and visit to see if they have this model in bmw salon.

in the evening my daughter has spectacle of the year (ballet) so cute...and in the evening today there is a big Economical Forum in paris, i would like to go to see.

what are you doing today? preparing to go home? happy to leave?
kisses

Best regards,

[REDACTED]
