ok, I changed an appt JE wanted to 5:30...I let [REDACTED] know ([REDACTED] is with him now) that at the moment it looks like the heli may land around 6pm or so...I told her they are only allowed to park for 20 minutes since it is busy. I told [REDACTED] you will email her and JE at 5:15 to let them know a more exact time for heli to land

so if they land at 6pm, then he could do the test ride earliest? latest?

hi there...yes, I am still at 71st but JE is out
with [REDACTED] and [REDACTED] at the Design Building
doing errands...

6:30 should be fine. I have nothing else scheduled for him tonight....but I really want him to answer your question...sometimes he schedules things himself..but I would think this would take precedent..

I hope he answers you soon
