1. Nabokov books need to be re-read two or three times to understand them. It is impossible otherwise to see the puzzle, its tricks, misdirections, alternative times. they must also be read aloud in the language in which they were written so as to hear the poetry, puns, and rhythms. Lolita is a masterpiece, (get the annotated edition that explains its intricacies by Boyd) Speak memory a brilliant autobiography, ada or ardor, a funny multilingual trap. and the defense (which requires knowlweedge of chess to be able to really enjoy) 2 re wings- Yes, i have seen them . and they are admirable. p.s. I really enjoy knowiing your are happy. 3. however, your wings are those of a butterfly , they don't really reach match your head and thoughts of an eagle. flying vs soaring.. a provincial trek, vs space exploration. . 4 re spending time together. we already do. = even if now, only in the small moments of memory, after wards , after your, summer camp adventure , I am certain a sloution will materialize. (it is not mistake that the verb for use of time is "spending " , that currency should be allocated thoughtfully, most people concern themselves with how they spend their money, , there is always more of that ,, time -not.)

Believe me, I am not judging (at the moment i have a husband and a lover and I have never been so happy before), on the contrary, I try to understand.

How can we spend time together if you prefer to discover the world from your house and me outside?

What is your favourite book of Nabokov?

by accident you have written a nabokovian sentence, " AT your disposal " , means- available " IN your disposal , means - in the garbage can. re the answer to your first question , you already know .. re the second question The Harem, meant protection.. for those inside .from those outside. mozart wrote the Seraglio.. There is a main theme , recapitulated, echoed , enhanced by its variations, many movements, intrigue, in the melodies. the harmony and wings can be heard. As you spend the summer eating experiences , try to be open, form your judgements only after they have been fully digested. I truly look forward to spending time with you.

There is also the Queen Mother.....

I am wondering, if having 400 women in your disposal can bring the harmony and the wings that a deep relationship with one woman can do.

By the way, what are the levels at Jeffrey's Harem?

Thank you for your remark concerning the tiles, I love these colours. Actually i love every little detail here, the perfect mix of civilizations.

I am leaving for Singapour tonight, totally in love with Istanbul.

What's new?

Thank you for your for inviting me, but I will be in San Francisco on these dates, or at other place, but not LA... pity, it might be interesting, even if I am very sceptical concerning the new world wines.

De Beauvoir preferred girls.... euhhhh if think I have less testesteron then her then!

Istanbul is absolutely magic, starting from my first minute here I felt its vibration and good energy!!! Food, music, bosphore, architecture, bazaars, everything is so more fun than in Europe!!! Hope to visit the harem tomorrow.

Where are you? having fun as usual?
