2011/6/14 [REDACTED]

It was a remarkable photo shoot for the magazine "please!". All hope that it will be posted soon Just a very long photo shoot, started at 6 am! (Call time, 5.30) and finished only at 8:30 pm. But it is very much positive and good people recognize. The photographer said that I have a beautiful figure and thought that I was doing gymnastics, because I have strong legs. I'm starting to worry, I am look too sports? I'm just doing a week ... After the photo session in the gym I could go only to the sauna.

Jeffrey, I can not begin to dance just because [REDACTED] always busy and our schedules do not coincide. She can see me only when she dance classes, but I want to dance a different style, but not ballet! .. And I found a suitable school for my style (at a price not expensive). Can I'll get the registration to the school dance on my own, and I do not have to divert Pralaya and depend on her time, and you could help me with payment, please? And I'll start soon ...

I had a few unpleasant cases today, but I'll leave it to myself and will not complain.

Incidentally, when I created for you, I realized that I did anything my hands no one and never, except the my parents. I was happy to traid for you. Hope you appreciate it. I really miss my parents.

About making money. what kind of job do you suggest I find it? Does this mean that you no longer wish to help me financially?

Pictures of my room below. I really hope to have a small horizontal cabinet for small items and underwear, 1 chair, large mirror, a rug and would be glad to radio or some player. But this is not so important. The most important thing - a horizontal cabinet. It was a remarkable photo shoot for the magazine "please!".
