Spoke with doug, the technical guy at EARS. He said that these speakers have not been made since 2009 and it took them a while to locate 2 woofers. They were ordered last Thursday June 9th and are expected to arrive mid week (june 15th). Once in hand they will turn around within 24 hours. Doug said we should have by Friday.

I asked where they were ordered from, tracking number, etc. - he was terribly unorganized and could not provide info..

I will call back tomorrow to see if parts arrived
