The fight continues.

The other side, and even the judge, are trying to fine me personally, my lawyer, etc.

We brought in 4 other lawyers to join us last week (in fact one functioning as a lawyer for my lawyer LOL)

All of them were stunned (none deal with BK court normally, and this whole Rothstein thing is over the top).

It is interesting, your name finally came up. Berger Singerman want the projects in Qtask regarding YOU.

I fly back to LA Friday from Maui. I start shooting my TV show for the History Channel Monday.

I'll be mostly in LA for the next few months. Although I need to fly to some places like NY to meet with inventors.
