Ok so then help me craft the letter that allows me to send stuff ..
Either tonight or tomorrow morning first thing as they all want to approve as I have to work tomorrow at a conference for my client and allegedly this has to go or else it will be too late..

Please excuse typos poor punctuation etc etc as this was sent from my I Pad

Ok, so the ans at midnight from PR and lawyers is if you can tell me that the info is public domain then I can send. What they don't want is for me to have to say I got it from you. That in there view makes me less credible as a voice and as an noteworthy stand alone person with a demonstrable valid opinion...if kline called my lawyer he does not have it ..I'm sure you get it
