She will have to come back to collect her bags. Do you want me to have her come past when you are back (after 5pm)

V says she cant leave the girl ([REDACTED]) because if Jacob calls he may ask where [REDACTED] is and she says the only way Jacob would let her come is with [REDACTED]. She says they will probably have to stay together but understands if [REDACTED] cant stay here with her. I didnt want anyone to come in without your permission so I suggested to [REDACTED] that they go for a walk in the park and to the museums and I will get in touch with her once I have spoken to you. She said they would stay close by.
