Hello! I have just from the dentist. Doctor's very funny, every time singing when treating teeth. it's dangerous, I always want to laugh. when they explains to me that they want to treat they showed me the layout of your teeth. I am pleased to know, and I appreciate that you let me enjoy what you are using yourself. Thank you. I asked the girl if she showed you a tattoo, she said no. and the fact that she is a little on the thigh. it may be too shy, or maybe just that other girl? By the way, she's going to make another hole in the ear. [REDACTED] gave me a 200 from you. Thank you!
