Dear Jeffrey,

Clever as you are, do not you know that to attract a woman (even she has lots of testosterone), you need to give her as little attention as possible?

Concerning Fowles' writing unfortunately I read it in russian, so I can not judge his style. I only told you about this book because the impression you gave me in Paris was that of the misterious and vicious magus of fowles.

What books of Dostoevskiy did you read?

P.s.: no P.s. this time!!
