I thank you for you response,, the real purpose of my email is to make you aware that you need to be thinking about thanking others. if you want to be sucessful.. It is a big part of business life.. you need to be careful that you focus on things other than what you get. as you know I am a fan of yours and only wish you well

Dear Jeffrey,

I've been very remiss, and I'm terribly sorry. Having JoJo pick me up at the airport made my entry into New York much more comfortable and I'm sorry I forgot to thank you yesterday.

You've been incredibly thoughtful in your efforts to help me with my career and I fear I've taken it for granted a bit. I really do appreciate everything you've done and I'm embarrassed that in person I didn't find it in myself to be more forthcoming. McQueen has been an amazing experience for me and already in many ways has helped me.

I feel somewhat embarrassed over your email, but thank you again for all your efforts, and I'm sorry.

Charlotte

I am willing to help. However I must tell you that I was somewhat surprised that given the fact , that - I had sent my personal car to pick her up at the airport .- organized an apt. . spent the time to consider future alternatives , that charlotte, neither sent a thank you note, said thanks,or brought a cookie of a thank you. No matter what career she chooses. , and I would very much like her to succeed, and be fulfilled and independent. -- AS I told you years ago. concentrating on what you get as opposed to what you give ,, is the English recipe for failure. Yes , I can organize the Core Club for you, for services, for facials. for most things, but not once did you say,, " I would appreciate that". not once. not even thanks for tea.
