Title: The Normal Heart/ Sleep No More

Monday...I will send info at 10:00am. I have never seen the famous play. It's a revival and will only play 98 shows.

Have very smart crowd.
Have champagne and food reception in lower lobby of theater with entire cast after show.

Play is one of the very FIRST cultural looks at aids...and meant to me a landmark piece.

Going tonight to this play "Sleep No More"/Macbeth in 3 warehouses you walk thru...got sensational reviews and extended...

Will send reviews.
You walk thru the play...wearing a white mask. Wild.

I went to two.

The first one was a gay couple on Riverside drive with all theater people and lots of kids and singing and fun.

The second one in Chelsea with Mario Calvo-Platero, a brilliant Italian international political journalist and his equally interesting family and friends.

I ate meat twice and still want to throw up.

Did you go to one? Susan Hess went to Leon Black's...

Are you here all week? We have all the Tribeca Film Festival films...

Monday, April 25th I have a cool vip theater party for 100 for "The Norman Heart"....will send invite. Will send invites for all our screenings this morning. Did Stephanie send all invites last week.?
