I am willing to help. However I must tell you that I was somewhat surprised that given the fact , that - I had sent my personal car to pick her up at the airport .- organized an apt. . spent the time to consider future alternatives , that [REDACTED] neither sent a thank you note, said thanks,or brought a cookie of a thank you. No matter what career she chooses. , and I would very much like her to succeed, and be fulfilled and independent. -- AS I told you years ago. concentrating on what you get as opposed to what you give ,, is the English recipe for failure. Yes , I can organize the Core Club for you, for services, for facials. for most things, but not once did you say,," I would appreciate that". not once. not even thanks for tea.
