I would prefer to set a face to face, new york paris. washington . a call first if necessary.. A written proposal would not be as exciting. as would be just another proposal.. He and his brother should understand the wonderful ramifications of such an event.. HAVE him watch a ted talk. we would have ten noble prize winners.. biologist. physics. Instead of the World Economic Forum.. the World Science Forum. three days,, forget about car races. camel races . horse races. art races.. this is the race of knowledge.

HH could sponsor, with me, or if he prefers anyone else i could arrange.
