As you know I value honesty. I told them that I thought you would make a great candidate. however , for the moment , you had decided that rumors and stories, were not something you felt able to cope with.. Silly , but you as you say are entitled to make your own mistakes.

Lesley;

Do you have 5 minutes for a phone call re subtleties of Korina's application this afternoon? I am also copying our Director of Admissions, Dr Zubiaurre, so that she is up to speed on Korina... also most Admissions info such as required courses et al is already on the web, but her former studies requires some special considerations... e g we mus t establish that her 5 years in Belarus was equivalent educationally to a baccalaureate degree in US college...can hopefully do so with TRANSLATED transcript... Also needs to study for and DO WELL on DATS! Best correlation w academic success here in a curriculum shared w the College of Physicians and Surgeons... CUCDM has highest scores in the 58 US dental colleges over last THREE years... Cal and we can discuss how best Korina can prepare. FYI, I did explain much of this during her visit, and there is a good deal of this on our website, but it is a lot to remember... Mr. Epsteins recommendation means a lot to us , as you are aware.
