I have had a rotten 9 months and want and need a prolonged period of no drama or stress and with some fun to put myself back together and then I need to figure out what i am doing in the future ..in that order and then hopefully I'll be better

Please excuse typos poor punctuation etc etc as this was sent from my I Pad

I gave it a lot of thought I think you should take time to recover from the traumas that you percieve have been at the root of your troubles. Maybe a month or two , take the summer, get some excercise , get healthy mentally and physically. your neck, back, I think a fullcheck up. spa . take dana if you want.. go on a trek, nepal. mongolia, . hike hike hike and hike.

The trainer replied, "Use the ATM machine outside the gym!"
