Jeffrey,
Both planes are ready for Africa trip when you decide which you may take,.

On the Boeing we completed the Re-weigh and the mandatory AD's only,. the Boeing will remain airworthy till July 30th, and will need a C5 check at that time, if you decide to take Gulfstream I can start C5 inspection now,.

Tim Powell is available for Boeing trip, however he needs to get Yellow Fever shots, let me know if I should have Tim get shots,. Dave has completed his shots, I get my yellow fever shot today,

thank you,
Larry
