some examples from their showroom. Any of their couches can be made into sofa beds. They can do any style with a solid, fitting back cushion like the second photo. The only fabric they carry which you can do a slipcover in, is the prewashed canvas in all solid colors. (see photo with swatch book). Otherwise, we can always provide our own fabric for a slipcover, but it would need to be pre washed. It might be nice to do a slipcover in an off white with a blue piping and trim around the bottom of the skirt like the last photo. I think this place is a good option so you can get exactly what you want. Lead time is 8 weeks. It is usually shorter, but their factory closes for the first 2 weeks of July. I think this is a good option for the storage benches as well since they can make any dimensions we would want.
