Hangar - I spoke to Dale Gregory yesterday and he promised to let me know this afternoon which option worked best for the FAA. As soon as I get that, I will let you know.

Fuel dump - I was dealing with Kenn Hobson but he is in the hospital in the states and is having surgery today. He said to follow up with Denise Mills and I have left a message for her so hopefully she will get back to me as to status today as well.

I am leaving for Ireland this morning on a school trip with my son but I will have email and phone access. Dale promised to email me and I will forward anything I get from him.

Cecile
