Subject: sleepers

Here is the link the Restoration Hardware sleeper sofas. I put a few different styles in the cart to buy and they all say they will ship by August 18th.

Here is the link to Pottery Barns. I did the same thing here and it says these have a lead time of 6-8 weeks.

Here is link to Crate and Barrel. If you choose the couch in the "stock" color, then it could be in stock and ready to ship.

The willow queen sleeper is in stock in white and ready to ship, FYI.. If you wanted another color option, we could always order the couch in white(if you like this couch) and then order another slip cover in a different color and switch it out when the slip cover arrives. At least we could have the couch on island much sooner than any others.
