Hi Jeffrey, how are you?

Jeffrey, I wanted to talk to you about something, it can wait till you are back, but shortly I might need to find a real job soon, it's for official purposes but anyway I really wanted to start working. I remember you mentioned once that I can do something with Robin Hood Foundation, do you think it's possible to get a position there sometime soon? I will explain you afterwards, but besides being a huge help with my documents issues it will be just really great to work and do something everyday! I have a working permit, social security etc.. I'm sending you my resume just in case and will appreciate your help very much!
