will estimate wood

Stone

\$28 is a good # especially with all the column corners which take a lot of extra time, and these guys are quick

since day 1 we have been spending \$25 for our costs, I have looked at our costs on walls and we are running about \$50 a running foot for our 2' high road walls.

what would you like me to do?

Get a price to put wood like my bedroom floor on walls

Sorry for all the typos .Sent from my iPhone
