also, i'd like to pay you to give me piano lessons again. i took for 8 yrs but w/o a piano it's tough to stay fluent. plus i am completely tone deaf and you were playing w your eyes closed so i think you could help me. how about it?

and i was thinking more (aka obsessing a bit) on the how the billionaires should spend their money and want to discuss with you an idea.

finally - what about john crouch? are you still interested in working with him? i know he was really excited about the prospect and was making some changes in his life. i think it would be a good match. let me know if you want me to set up another meeting.

okay....thinking of you....
