Good Afternoon,

As per JE's direction the Terminix contact is fine at the moment and we will address any new structures and buildings as they occur

Thanks

Warmest regards

i would like the contract revised to specifically reference all buildings to be serviced for their monthly fee.

i believe that this will ensure no confusion over costs moving forward
would you like me or emad to contact vendor or will you?

thank you

Good Afternoon Rich

Sorry no old contact from Professional Killers is on file, unless Daphne you have one hidden away. I had asked [REDACTED] if she could provide any backup, she received complete control of the company via her divorce and really had nothing, another concern on our end

Reference your concerns about missing buildings

- (a) Laundry is the managers cottage (same building) Laundry will be moved up to the main compound within the next few weeks, at that point it will fall under Cottage 1 (same building)*
- (b) Kitchen is the Great Room Building*
- (c) Captain Office is the Workshop. The Captains Office will be relocated once mechanical buildings are completed*
