Jeffrey , I am really sorry if you feel that my questions are stupid , but I couldn't sleep last night either ... And I think I am even more confused now... I have spoke to my mother yesterday , and she said to me that she is blessed because she has got such an amazing kids , and she feels happy . It made me wonder , what is special about me? And is there no chance I could be happy without being on the front of news paper? I am sorry again , I'm trying to understand... Xx
