Title: Mother's papers

I went to my mother's house yesterday to get her clothes to sell to resale shops or donate for tax deduction.

More importantly, I took ALL her papers...including all her tax returns and all info on the trusts. I emailed the lawyer, Phillip Michael and if he wants, can bring all this info to him. I, of course can not figure out what it all says....but it's all here.

My brother knew I went to the house for the clothes and to clean...so I just cleaned out the bathrooms, drawers and went thru my mother's office like a white tornado. I do not think he will even notice...and if he does, I will say I threw out all that junk. Peg
