Just got up after 2 days. bought sleeping pills online.
Got your emails. Got the wire. Why did you send it? Do you feel threatened? If you actually believe you are paying me for defending you, I am not interested and I will send it back. Your comments the other day were beyond disturbing. I am appalled you would suggest you are paying me for protecting you or that you found my email threatening. I simply expected a thank you, not your money.
Did you get your watches?
