I knew some of the toys were backordered when I placed the order. Some shipped sooner than the rest, but they have all shipped out. I should have had [REDACTED] count everything when the boxes started arriving to confirm if all had arrived yet. I only asked her if I was getting shipments of toys and she said I had received several boxes of toys.

I'm sorry I haven't been on top of everything. I will try and be more focused on the more important things.
