Dr. Weidenbaum can see you anytime starting at 10:45am up to 2pm on Tuesday April 17th. They are asking if you have X-Rays within the last 3 months. If you do not have X-Rays from within the last 3 months, then they say you are to have them taken the day you go in for your appointment and will see the doctor after.

Do you have X-Rays which have been taken within the last 3 months?
