Jeffrey,

We're interested in surveying all of the significant businesses in Dubai. In addition to producing a guidebook that could be used to promote tourism the survey results could be used by the Dubai Tourism authorities as a free market study of the service establishments there. In addition, we would be willing to host launch events in key feeder markets featuring awards to the winning establishments along with PR support.

In effect, here are the key elements of the program:

1. A custom guide to all of the attractions of Dubai
2. At least 50,000 co-branded Zagat Dubai guides
3. PR launch events in Dubai, NY or London
4. 20,000 zagat.com site subscriptions per year
5. Awards for top rated service establishment
6. Decals for all service establishments
7. A content license

Aside from being compensated for our work, we would like to be able to have the cooperation of Dubai Tourism, Emirates Airlines and Jumeirah Hotels in obtaining survey participants.

Tim
