Subject: Bell 430 parts update

[Bell430upgrade.xls](#)

Jeffrey,

I would like to order the Bell 430 parts so they are on hand when Bell 430 arrives in Fort Lauderdale for installation at Edwards.

Bell requires 50% payment for these parts:

Barrier filter kit \$33,184.00

Dual pilot controls \$25,073.50

pilot and co pilot heated glass windshields \$28,237.50

total wire transfer requested is **\$86,495.00** to Edwards & Assoc. this is 50% payment for parts,.

is this approved?

update: Waiting on engine fire bottles to be delivered to London, annual inspection is complete and first test flight should be next week.

thank you,
Larry
