I asked her to fwd an invoice, she hasn't registered:
from CM

Registration is not yet open so I don't think I can send exactly what you are requesting. I am admitted, but I am not able to register for classes yet, and I don't technically own the school anything until after I have registered. The table below is from the school's website with estimated costs of tuition fees living expenses and etc. for one semester. If Mr. wanted to he could send an 'E Check' to my account. Tuition, housing, food, books, and fees can all be paid when the money comes due from the account provided on the link I sent in the last message. Or a paper check could send in to the school with the my name and ID and they could place the money in my account to pay for these things in the same way. I hope this helped if not, I can try contacting the school again and see if I can find the information and documents you need. Thank you so much for your patience.

Sincerely,
A
