hi Jeffrey

I am on the one of Gili islands in Indonesia.. I have never been to an island that beautiful and that close to a virgin island. It is tiny, it takes one hour to walk around

http://wikitravel.org/en/Image:Gili_islands_lombok.jpg - I am on the closest one.

I do not know what your island is like but it should be a paradise as well

I will be in Washington from 24 April until 5 May. let me know if you want to meet!

kiss
