I will call you now. Where are you? Will call on cell.

I did call back your assistant yesterday to say contacted Graydon and will hear about his Tribeca Film Festival cocktail party on April 17th.

My step-niece (Mattie's half sister) Elizabeth gave birth to her third child this weekend...a girl after two boys. Her smart adorable husband, who flies his own plane, is a Dr. (Vet)...and now sells legalized marijuana in Aspen...called me yesterday to say the baby had [REDACTED] They had to get leave Aspen hospital and went to Gran Junction (over Denver) and the infant [REDACTED] He says she is out of the woods....but there is always a chance of complications like deafness....

Do you know anything about this with infants. Should I get more info from the father Dr. Jordan Lewis...he is a very level headed guy....yeah, who sells grass.  
Calling cell.
