Hi, just tried to leave message on your cell but never got the "tone" to start speaking. Just got off the phone with him. He says there are still little things and wants me to come up so we can get it done face to face.

I told him I would look at my sch and get back to him. Honestly, I think we need to back out gracefully now.

- 1) Even if I could get there this week, which I can't due to ad bd meeting all day thurs with PCT clients and pharm, and a high level meeting with the senior team tomorrow and I'm out of the area on Friday, which I can't change – there still needs to be a legal agreement....
- 2) I don't see him agreeing to a legal agreement because he doesn't work this way.
- 3) AND most important, if I could get to a face to face, and he agreed to our legal terms, the earliest this is done is say FridayMonday – now we've lost two weeks and there just isn't enough time now to get to clients and convince them of the need to part with 6 figures for a Sept event.
- 4) I will of course leave the door open to work with him in the future....

Please advise....

Thanks
Debra
