[REDACTED] representative , called and spoke to bonnie garner,, a nasty , aggressive, no help officer of the school..I was on the phone . She said that she was" going on vacation and no intention of starting a reinstatement application, before she gets back,, he asked what she needed and she said i need to know everything,, give me the telephone number of her last school, when he asked if Columbia needed to do more than merely issue a form , she went crazy and started being very hostile, . he actually asked why she was being so aggressive and she shot back about being asked to do things without the necessary info.. when he asked what she needed , she responded 'everthing" ." anything else you need to know?" .
